Utilizing Myers-Briggs[®] to Improve Outcomes and Processes

How do the personality styles on your team affect...

- *group interaction and knowledge sharing?*
- *decision-making and problem solving?*
- *team effectiveness and communication?*
- *strategic planning?*

As busy as you are, do you take *strategic* advantage of this rich diversity to achieve your organization goals?

In this EXECUTIVE OVERVIEW session, we will

- *Review the basic tenets of the Myers-Briggs[®] personality styles*
- *Use interactive group work to experience the dynamics of the most misunderstood pair of personality differences*
- *Understand how to increase team energy, commitment and focus!*
